D&D COLLISION SPECIALIST PRESENTS \$50,000 CHECK TO MCYS

Montgomery County, Texas - (June 27, 2007) - Tim Gill and David Niccum, co-owners of D&D Collision Specialist presented John Bracken, Executive Director of Montgomery County Youth Services (MCYS) with a check for \$50,000 to commemorate the milestone of D&D Collision Specialist reaching its first million dollar month in sales.

With that donation D&D Collision Specialist was also named *Presenting Sponsor* of the 19th Annual Woodlands Celebrity Golf Classic, hosted by Doug Drabek and Jeff Maggert, MCYS's largest fundraiser to be held November 9-11, 2007.

"We have been extremely fortunate since we opened D&D Collision Specialist and we have looked forward to sharing that good fortune. We hope that these funds will be a catalyst for other companies to match or exceed our commitment," explained Gill. "We could not have experienced this kind of growth and success without our customers, insurance relationships and our quality, professional employees. They truly deserve all the credit."

Niccum continued, "We are encouraging more community involvement, and this is a challenge to make a commitment. We really like what MCYS does to help kids and that is where our passion is. We all have to work together."

John Bracken, Executive Director of MCYS said, "D&D Collision Specialist has been a huge supporter of MCYS and we are truly grateful for their commitment. We have challenged our fund development team and golf committee to match this pledge as an incentive to help expand our funding sources."

Montgomery County Youth Services, A United Way Agency, provides youth and family counseling, substance abuse education and prevention services, community outreach programs, Face to Face mentoring program and a residential program for homeless youth throughout Montgomery County.

ABOUT D&D COLLISION SPECIALIST

Owned by long time partners, Tim Gill and David Niccum, D&D Collision Specialist offers 84,000 square feet of body and frame repair equipment, refinishing equipment, a parts department, customer lounge area, offices and training facilities. With a capacity of 90 workstation bays for body and framework, the shop features 64 oversized bays that are each 15 feet wide.

D&D Collision Specialist is on the approval list for most major insurance companies and makes office space available for their representatives to meet with clients or to do paperwork. They are an all-inclusive facility designed to make it easy for customers after they have just been involved in a stressful collision experience.

Throughout the entire repair process, from drop-off to pick-up, each auto remains sheltered *inside* the facility. Owners of injured autos will find that the spacious and customer-friendly body shop is one-of-a-kind.

The on-site equipment includes four Blowtherm Ultra Spray booths, two custom paint-mixing rooms and two closed-top-open-front drive-through spray booths. Central to the body frame area and the finishing area is an elevated dispatch room that oversees the entire production process through a bank of close-circuit television screens.

The two other locations owned by Gill and Niccum are Callaway's Collision Specialist and D&D Collision, both located in Humble.

D&D Collision Specialist offers its customers a lifetime guarantee on their work. The hours of operation in Spring are from 7 a.m. to 6 p.m. Monday through.

They are member of the South Montgomery County Woodlands Chamber of Commerce and the Humble Area Chamber of Commerce.
